

PB Sci Department Chairs Meeting Schedule 2019-2020

Below is the schedule for all of the Department Chairs meetings for Academic Year 2019-20 (Fall, Winter, and Spring).

As with years past, there will be both *Large Format* and *Small Format* meetings. The Large Format meetings include all department and program chairs and directors, department managers, ORU/MOU directors and managers, and business office administrative managers. The Small Format meetings include department chairs, the Science Communication Program Director, and ORU/MOU directors **ONLY**. We try to alternate formats at an “every other” meeting schedule.

This schedule is always **SUBJECT TO CHANGE** depending on prevailing conditions across the division and the campus. Note: Due to room remodeling schedule in ISB 102 (exact dates TBD) the Fall Quarter meeting location(s) may need to change.
